MEMORANDUM TO MEMBERS OF SAB AD HOC COMMITTEE ON SPACE RADIATION REVIEW

SUBJECT: Meeting Plans

1. Reference is made to recent telephone conversations. This will confirm the date of 13 December 1962 for the planning meeting of the Ad Hoc Committee on Space Radiation Review. The meeting will be held in Room 4C 963 in The Pentagon at 0900 hours.
2. Attached for your information is a copy of the letter of 8 October 1962 from Col Gasser to Gen Ferguson with subsequent approval for SAB action. The first meeting will be a group discussion to further define the problem, summarize the present state of knowledge on the subject and to determine future actions of the Committee.
3. Any information you may have regarding recent activities and/or reports bearing on the Committee's charge should be made available during the meeting.

Julius H. Massey Jr. Atch
